Need fast relief? Slow down!

Actor Lily Tomlin reportedly said, "For fast-acting relief, try slowing down." Summer doesn't seem to be the "slow season" it once was — if indeed it ever truly was. But perhaps we can use it as incentive to take some "downtime" around the plethora of activities, travel and always-busy work schedules. Pause and accept Jesus' invitation: "Come with me by yourselves to a quiet place and get some rest" (Mark 6:31, NIV).

It may be a refreshing spot at a lake, a hike in the woods, an early-morning fishing trip. Maybe, around your work schedule, you can reserve time for a few days of church camp, a picnic at the city park, a nap on a blanket in the backyard sun. Help the kids in your life discover what it's like to *not* be on the go and to take a screen-time sabbath — even to experience boredom and see what creativity blossoms. Do art projects together, ride bikes, paint with water or chalk on the sidewalk, pick berries, bake cookies, solve puzzles, sing songs!

Try slowing down, as Lily Tomlin — and even Jesus — advised. In summer, and any time, it's good for the soul!

Capital Campaign Gains Momentum

Thank you for your generosity so far to the New Beginnings Capital Campaign! As of Monday, May 20, we have **\$65,640.36** toward our goal of \$150,000!

This has allowed us to proceed with the second project on our list: updates to the exterior stucco on the addition. God is good!

As a reminder, the campaign will fund several needs that must be addressed over the next couple years:

Big Room HVAC—\$43,000

Until we are uncomfortable, we can take heating and cooling for granted. Bethany Blessings, Sunday school classes, and other ministries depend on our facility during winter’s cold and summer’s heat. The 26-year-old HVAC unit, which sits atop the portico, has reached the end of its lifespan and requires replacement with a modern, efficient system. *A unit has been ordered and is expected to be installed with a crane later this year.*

Exterior Stucco Update—\$22,500

As we look ahead to exciting ministry in a new denomination, we must remove the cross and flame logo from the exterior wall of the addition. This symbol, which represents our previous affiliation, will be replaced with a simple cross to signify our faith in Christ and remind us of his sacrifice for our redemption. *This work should be completed in early June.*

Sanctuary/Overflow Roof Replacement—\$59,500

The roof over the sanctuary and overflow area requires repair so that we can continue to comfortably gather for worship and protect our beautiful sanctuary. The shingled sanctuary roof was installed in 1989. The overflow area features a shingled hip roof with a flat, rubber top that has been in place since 1975.

Outdoor LED Sign—\$25,000

Our electronic sign on the corner of Summerhill Avenue and Pine Street allows us to share news with passers-by. Because the manufacturer is no longer in business, we cannot purchase needed replacement parts or update glitchy software. A new, attractive unit will allow us to more easily invite the community to attend events, explore faith, and experience Christian fellowship.

Help Us Reach Our Goal

Please prayerfully consider a contribution in addition to your regular weekly stewardship to help us meet these expenses. Your generosity and faithfulness allow Bethany to help others to see, accept, and grow in the light of Jesus Christ. All gifts in any amount are appreciated.

How to Give

You may contribute to the campaign in three ways:

Use “Capital Campaign” envelopes, which are available in church pews and at the information desk, to designate a campaign gift. These envelopes are undated with space for you to include your name and regular envelope giving number for tracking purposes, if you wish. Take as many envelopes as you will use, whether you plan to give once or weekly to the campaign.

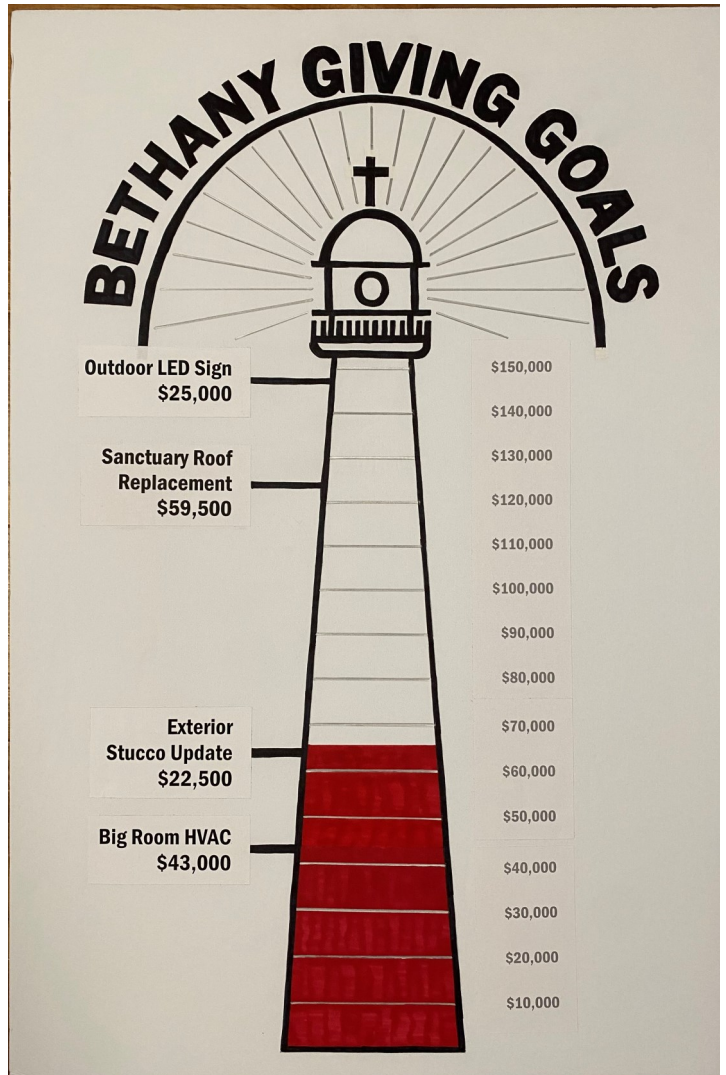

Use your bank’s online bill pay feature to make a one-time or recurring gift. Put “Bethany Church of Berwick” as the payee at 116 Summerhill Ave., Berwick, PA 18603. Please note in the memo line that your gift is for the capital campaign. You can add your envelope number as the account number so that the gift is recorded on your annual giving statement.

Mail a check to the church office at the above address. Note “Capital Campaign” in the memo line and include your giving envelope number.

Remember to keep Bethany Church in prayer as we seek God’s guidance for stewardship and future ministry! Your continued support is critical to maintaining the facility that sustains our ministries and encourages relationship with Christ. Thanks again for your gifts and your prayers!

An ode to dads

God took the strength of a mountain, the majesty of a tree,
the warmth of a summer sun, the calm of a quiet sea.

The generous soul of nature, the comforting arm of night,
the wisdom of the ages, the power of the eagle's flight.

The joy of a morning in spring, the faith of a mustard seed,
the patience of eternity, the depth of a family need.

Then God combined these qualities, when there was nothing
more to add,
He knew his masterpiece was complete, and so, he called it ...
Dad.

Why do stars appear to twinkle? Try this experiment to find out!

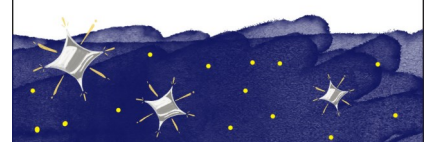

What you need:

- Aluminum foil
- Large glass bowl
- Water
- Flashlight

What you do:

1. Crumple the foil into a ball. Carefully unfold it and lay it flat on the ground.
2. Fill the bowl with water and place it on the foil.
3. Turn off the lights and make the room as dark as possible. Shine the flashlight about 1 foot from the water's undisturbed surface. Light will reflect onto the foil.
4. Then tap your finger on the water's surface. As the water moves, what happens to the light on the foil?
5. This flickering simulates scintillation, which happens when starlight enters Earth's atmosphere. As light passes through layers of gas and water, it refracts and appears to twinkle.

Prepared for a purpose

Timothy Dalrymple, president and CEO of *Christianity Today*, was a successful Stanford gymnast with Olympic dreams. But he broke his neck before the 1996 Olympic Trials and never reached his sport's "promised land." Although the injury led to chronic pain, Dalrymple doesn't regret his pursuit or even the fall.

Even while hospitalized, he experienced "a profound assurance" of God's loving presence. "If I could know the peace of God even when my health and hopes were stripped away from me, then what did I have to fear?" he writes. "It was a liberating revelation. Since God is with us even in the valley of the shadow of death, we need fear no evil, for no evil can take God away."

In the long run, so-called failure can matter more than victory, Dalrymple learned. "The purpose of my gymnastics career was never to purchase a few shining moments of gold-medal glory but to prepare me for the rest of my life. It was never about making me a champion. It was about [shaping me into the image of Christ and] making me an instrument [for the glory of Christ and for the good of the world]."

Lessons from hiking

Whether I'm hiking an easier stroll or a 20-mile trek, I've noticed parallels to my journey with Christ.

- This is my journey. Too often I waste time comparing my stride, pace or equipment to that of fellow hikers.
- I don't know what's around each bend, but God does. I can't let anxiety steal my joy.
- It's best to balance hiking in silence with sharing the trail with friends.
- I'll be sore tomorrow, and that's okay. Engaging new muscles leaves a reminder that growth is uncomfortable.
- Being prepared is good; being *too* prepared makes for a heavy backpack. I need to do my due diligence and let God handle the rest.
- It's not a race, so finishing quickly offers no reward. When I'm not in a hurry, I tend to notice more of God's blessings.
- I need to look up, enjoying God's creation as I let him determine my steps.
